The **Panther Valley Ecumenical Church** is an ecumenical church

serving Northwest New Jersey since 1969.

We are an inclusive congregation founded by:

- Episcopal Church
- United Church of Christ
- Presbyterian Church, USA
- United Methodist Church
- Ecumenical Community

The first four denominations consist of members of their respective religious denominations. However, a substantial number of our members from other Christian traditions choose to join the ecumenical congregation rather than one of the four denominations. When people unite with this congregation, they continue their membership in their denomination of choice.

In practice, we worship as one ecumenical congregation, participating in one another's traditions. Yes, it is different. Our Church is here as a witness that our unity in Christ enables us to live and worship together without compromising our most treasured traditions.

People who are interested in uniting with our fellowship are invited to attend our Pre-Covenant classes. These classes meet after worship on Sundays and are offered quarterly.

If you have any questions about our Church, or need help of some kind, the pastor would welcome your call: (908) 852-5444, email: office@pvem.net

We invite you to join us.
